

Mckinnon school

We would like to thank Nancy Bosley, Doris Garlinghouse and Ruby Garlinghouse for the Donation of the Mckinnon School Teachers Bell.

Pictured here is Nancy Bosley and Doris Garlinghouse. Ruby Garlinghouse was not able to here for this picture.

The Girls are the daughters of Oral and Sam Long who use to live right across the road from the old one room Mckinnon School. The Mckinnon School was on the corner of Shunk and 7 Mile Roads. Sam Long had the bell when the old Mckinnon School was torn down and handed it down to Ruby who in turn passed it on to her sisters. The girls thought it would be nice to give it to the Bruce Township Historical Society.

Shirley Patrick and Carolyn Person are the curators of the Bruce Township Historical Society.
